**\$1,450 / 1br - 640ft2 - 1 Bed/1 Bath Apartment - 1450\$ - Short Term rental in Winterpark (Winter Park)**

**Semoran Blvd, Winter Park, FL 32792**

**Great unit for a single or a couple specially for short term rental.**

The rate does not include electricity fee and internet and sewage/utilities charged by the community. You can contract for internet if you need it.

I rented this unit almost 5 months ago on a good deal for 8 months period. However I have got a job which I need to be away for next 6 months, so I would like to pass over this unit to someone looking for short term with possibility of extending it at the end of rental period.

You need to be able to show that you can pay rent based on your monthly income.

We should add the new tenant into the lease.

I also have a bed frame and mattress, which I can leave it for you for free. so you only need your couch, a dining table and a TV to start.

This house also includes an above ground pool. A private backyard. And a 16' x 16' garden at your disposal. There is a very friendly seven year old Doberman who protects the house when we are away and lets us know when someone is at the door. I keep to myself. There is a large office with a**

desk at your disposal. All areas of the house are available for use. There is a guest bedroom for the occasional guest. The master bedrooms are on opposite ends of the house. I do not do drugs or drink alcohol. A social drinker is fine. No addicts or alcoholics. We have respect for each other in letting each other know when a guest is coming over. Your room is your room but all common areas stay clean and orderly. The refrigerator and freezer is always stocked as well as dry goods, it is unlikely that you will need to purchase food. Knowing how to cook would be phenomenal but not necessary. This is a very peaceful place. A comfortable place to call home. You have your own screened in patio off of your bedroom with large flatscreen TV. Wi-Fi, DISH network with the movie channels included. Weekly, biweekly, or monthly payments are fine. This neighborhood is centrally located to everything in the Orlando area. You are 10 minutes from everything, 20 minutes from theme parks. \$1200 per month to cover your cost of rent and utilities. Please email a brief description of yourself, your current situation, and your present work history. Please attach a photo. You have your own private air conditioning settings plus central air. No smoking in the house but on the property and your patio is fine. Female or female couple are welcome. Will move the right person for free. You can text to.

**\$200 Room in large estate home (Deltona)**

I own a large, spacious 5/3 home in the estate section of Deltona. I'm looking to rent out a bedroom with private bath to a mature, responsible tenant with no substance abuse issue. ( Past experience has unfortunately shown me I must mention this) The room is a decent size and is modestly furnished with bed, dresser, desk and nightstand. There is a walk in closet that is on the smaller side. The bathroom is not en suite, but is right next to the room. It has a large, walk-in shower and plenty of storage space. You will of course have access to the living room, kitchen, indoor laundry room, outside deck, etc. I am asking \$200 per week which includes all utilities, including cable and wi-fi. We have 2 friendly dogs and 1 aloof cat, so we are not accepting more pets. I will attach pictures of the home. If you have any questions or are interested, feel free to call the number provided. If nobody answers, please leave a message. Thank you.
